DIRECTOR OF CENTRAL INTELLIGENCE  
HUMINT Committee

LOGGED

HC-84-276  
28 June 1984

MEMORANDUM FOR:

Chief, Resources Division  
Directorate for Research  
Defense Intelligence Agency

SUBJECT: Appreciation

1. Please pass on my appreciation to [redacted] and other analysts in your Division who were responsible for the valuable, concise, and well-reasoned comments on the Intelligence Community's First Draft National HUMINT Collection Plan (NHCP) on the Chemical and Biological Warfare Threat [redacted]

2. Your Division's analytical talent and support should help the process of stimulating more vigorous and coordinated management of field collection against this most difficult problem area. [redacted]
